

AFFIRMATIONS OF LIGHT WITH ARCHANGEL MICHAEL

A THREE DAY RITUAL IN THE GREAT WHITE BROTHERHOOD

INTRODUCTION

Nowadays, some prayers have to be modified and adapted to the wave of new spirituality, since Earth is being blasted with new energies from diverse cosmic frequencies.

One of the fundamental consciousness that needs to be acknowledged as a permanent part of these rituals is the presence of the Mother. This is because the Sacred Feminine needs to regain her rightful place: next to the Father, Creator of this Universe.

For this reason, we are told to turn applications, appeals and the like, into Commands, Statements and Decrees.

And so, today we share three days of Affirmations of Light with Archangel Michael, updating the secular “Prayer of Three Days to Archangel Michael”. This is a traditional prayer of unknown source.

THE THREE DAY AFFIRMATIONS OF LIGHT WITH ARCHANGEL MICHAEL

BASICS

To proceed with this ritual you will need three blue candles and three incenses¹.

¹ We recommend Nag Champa Agarbatti for creating sacred spaces for ceremonies of this type.

INITIAL DECREE FOR EACH OF THE THREE DAYS

By the authority of the victorious I AM Presence in all humanity, I invoke the presence of Archangel Michael and his Mighty Celestial Militia, to protect me and accompany me during the three days of this work, while His Circle Shield of Light surrounds this place, and myself and all beings who are present here.

Archangel Michael, great chief of the Celestial Militia, as a Child of the Light that I Am:

Protect me with your prayers and keeps me in the shadow of your wings.

Move off from me all the energy poorly qualified and strengthen me every moment.

Oh! Prince of Angelic Powers:

Stay with me now and allow your flaming Blue Ray to reach my heart, releasing Faith and the Will of the Divine I Am Presence and thus I can dominate and instruct the release of negative creations in me and in all sentient beings.

I thank you.

Light a blue candle, while saying out loud:

May this light illuminate all the darkness, through the intercession of Saint Michael the Archangel, and may they disappear from my life, discharging all my enemies, both visible and invisible. May this Light that is, be done now.

Light the incense, while saying out loud:

May this incense rise to the Archangel Michael and the Great Creator as a soft perfume of prayers and through the hands of Saint Michael the Archangel and through the Law of Grace, may he descend upon me his dispensation of blessings.

Direct my steps and never let me leave the path of Love, Righteousness and Self-realization.

Balance all my chakras and strengthen my body, my mind and my will; so that I can develop my full Divine Potential: here, now and forever.

In the name of Father, the Mother, the Son and Holy Spirit.
