

# INVOCATION OF THE COLUMN OF LIGHT

My body is now transformed into a Column  
of the Temple and it is infused with Divine  
Love and Holy Light of the Central Sun.

I am the vital, pure abundant being that  
Mother / Father God created me to be!

Christ-consciousness works through me,  
opening myself through the presence and  
fullness the Sacred  
Heart.

The Divine Mind  
conveys its wisdom,  
purity, knowledge,  
Light and goodness  
into my being

I am receptive to God's  
perfect idea though the  
manifestations of  
blessings to Earth and  
all its sentient beings  
growing from me into  
an ever-greater expression of itself.

Peace, joy and harmonic resonance are  
emerging on this planet through me!

I am the way, the truth and the life of God  
made visible!

Gracefully and gratefully I let it be done!

The vastness and wonder of the Infinite,  
Creative Power of God is right here, right  
now.

It is the energy of Spirit growing my ideas  
into being,

We are moving along with Mother Earth  
through a sea of transformation, through  
dimensions and timelines as she connects to  
her Soul's deeper conversion of Light.

We support this beautiful sphere of life with  
our love, compassion  
and healing energies as  
she purges all discords  
from her system.

From the strength of  
her new connection to  
Source, we will be  
launched into a  
personal era of love,  
joy, acceptance and  
passion.

And so it goes - as one  
heals, all are healed.

And so it is! Amen!

*Heavenly Father, Holy Mother, we thank  
you for this Light and what it provides us  
and we know that this is so, and so will it  
always be!*
