

The Atlantean Pyramid

The Initiation in the Atlantean Pyramid

Atlantis was once a great civilization that existed in the third dimension. Its program was created by the Great Atlantean, Tehuti¹, and placed in the Atlantean Pyramid which rose two miles into the sky. When the Atlantean program ended many of the Atlantean souls moved on to other programs including that of Egypt.

They were the healers, teachers, priestesses and priests, recorders of knowledge, scientists, astronomers, and artisans.

Their knowledge was stored within their genetic coding to be reactivated when the next “cycle of time” was to come to an end.

At that time, they would return to roles similar to those they played in Atlantis. Through initiations similar to those in Atlantis, they would awaken their memories thus understanding who they are and what their role is now. They were to return to help souls become initiates of the sacred knowledge once again as the planet moves to the next frequency.

Preparing for the Initiation

You might want to tape record the written portion of this initiation to guide you. You may also want to tape record what you see and hear during or after the initiation.

This initiation is best done when you are most relaxed.

Returning from the initiation may leave you disoriented as you may not come back into your physical body as quickly as you would from a meditation. Please allow time to relax afterwards, or just drift into dream state.

The Initiation

Find a quiet place free of distractions. Adjust the lighting and room temperature. Adjust your apparel. Sit down or lie down and find a position that is comfortable for you.

Quiet your mind and still your thoughts.

Relax your body. Your face, your jaw, relaxing. Your shoulders, your neck, relaxing. Your arms, your hands, feel at peace. Your torso, your hips, letting go. Your legs, your feet, totally relaxed.

Focus on your breathing. Inhale slowly and deeply through your nose . Retain the breath as long as is comfortable. Exhale through the mouth slowly and completely.

Repeat for at least two more breaths.

Close your eyes.

See yourself spiraling through space and time.

You are back in the time of Atlantis.

You search for something familiar, something that connects you to Atlantis.

Before you is a sacred temple. You enter the temple and are greeted by the High Priestess. Her energies seem so familiar. She is surrounded by crystals creating specific geometric patterns. You become aware of sounds. Their resonance vibrates with every cell in your being: opening, activating, and raising your frequency higher and higher.

The closer you get to her, the more you remember.

She speaks through sound, the language of Vril: the harmonics of creation. You begin to understand.

As you reach her, a beam of white light is created by the crystals forming a pyramid around both of you. The beam of light exits through the apex of the temple.

The High Priestess prepares you to ascend through the light. She gives you a crystal to take with you on your journey. The crystal contains a frequency that is uniquely your signature.

You slowly ascend through the light until you can no longer see the High Priestess or the temple.

Your mind searches for something familiar. You see before you a pyramid of such beauty you cannot believe that it is real.

You remember. It is the Crystal Pyramid of Atlantis. It was once your home.

You enter the pyramid and are greeted by the entity known as Tehuti.

He moves through the pyramid with you allowing you to experience all of its beauty and energy.

The energies of the crystals contain all knowledge. This is the Hall of Records so many have sought.

It is the Akashic Record of the Atlantean program.

Your mind races with questions about Atlantis and your experiences there.

Tehuti takes your crystal and puts it in its resting place within the Atlantean Crystal Pyramid.

Instantaneous energies of light flood through the pyramid connecting with your mind, becoming one with all that you are.

You understand.

All knowledge is yours.

You remain in the pyramid understanding your role in Atlantis and what happened at the end of that Cycle of Time, and why you are here now.
