

THE SOPHIA SCROLLS

**SPIRITUAL HOLISTIC WISDOM
THROUGH THE DIVERSE SCHOOLS OF
KNOWLEDGE AND WISDOM THROUGH
THE HISTORY OF MANKIND**

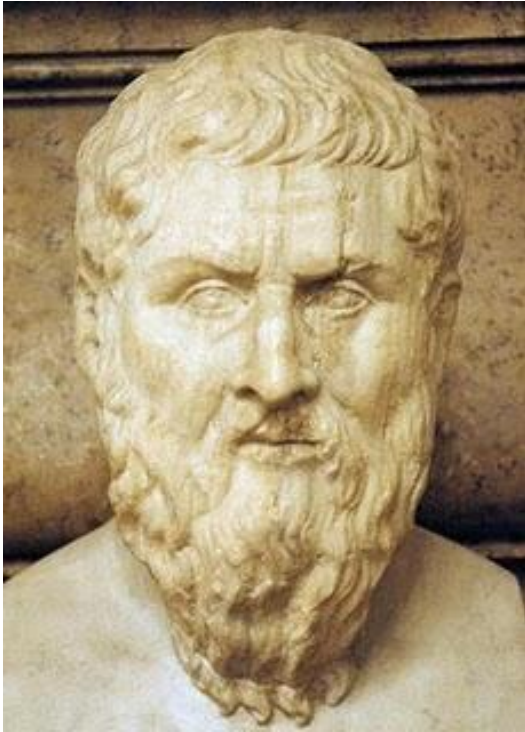

OBJECTIVE OF THE PROGRAM

- To present the fundamental knowledge that pertains to the true spiritual quest, which leads us to the self-realization and self-knowledge.
- The offering of a multidirectional and multidimensional panoramic of human experience and existence.
- To amplify our personal perspectives of life events, rites of passages, situations helping us to organize and understand the complex world that we live in.
- To present the millenary experiences of self-realization and enlightenment through diverse cultures and paths of life.
- To install the Internal Observer facilitating the control of the mechanical responses in our daily lives.

- To offer practical exercises for the development of the psychic capabilities, enrichment of the fundamentals of high discernment, and spiritual-intellectual assimilations.
- To offer explanations and clarifications about the many metaphysical transformations and transmutations over the energies of the body, soul and psyche.

WHO THIS COURSE IS MAINLY DIRECTED TO

- To those that aspire for the authentic self-knowledge of Human Race, and the planet Erath
- The true seekers of wisdom and integration with the higher planes of existence
- The ones with inquiring minds that constantly debate the logic of existence and life trials.
- To the Esoteric and metaphysical minds, spiritual beings that need the global and panoramic understanding of diverse schools of philosophy.
- For those that like to study the human mind and understand its behaviors and actions.
