

HEALING OF EMOTIONAL IMPLANTS

I, (*state your name*), appeal to Christ-Consciousness to calm my fears and to remove all internal and external controlling mechanisms, which may interfere with this healing.

I appeal to my Higher Self to seal my aura and to establish a Christic channel for the purposes of my healing, so that only the Christic energy will flow through me. May this channel never be used by anything which is not the flow of Divine Energy.

Now, I call upon Archangel Michael to completely seal, protect, and bless this sacred experience.

Now, I call the Circle of Security from the 13th dimension to seal, protect and expand completely the shield of Archangel Michael, as well as to remove anything that is not Christ-like and that may currently exist within this energy field.

Now, I call the Ascended Masters and my team of Christic Helpers to remove and dissolve completely, each and every one of the implants and their energies, parasites, weapons devices and spiritual self-imposed limitations, both known and unknown,

sown in every dimension and every syntony, in all the time lines. I ask these energies to be released harmlessly, harmlessly, harmlessly by Beings of Light which only abide by the Law of One.

And So It Is!

Once this work is completed, immersed in my eternal now, I call for complete restoration and repair of my original field of energy, to be infused

with the Golden Liquid Light of Christ.

I AM free! I AM free! I AM free!

I AM free! I AM free! I AM free!

I AM free!

I, being known as (*state your name*), in this particular incarnation, by this means, revoke and renounce each and every one of allegiances, vows, agreements and / or contracts association that no longer serve my highest good, that has entered this life, past lives, in parallel lives, in all dimensions, time periods and locations.

And So It Is!

I now order all agencies, organizations and associations related to me by these

contracts, to cease and desist, and to abandon my energy field, Now and Forever, harmlessly.

So, I AM retroactively taking all the artifacts, devices and sown energies that represent these associations. I firmly renounce to all that in me resists, hinders or prevents the realization and the completion of the two previous decrees. I thank Christ and the Hierarchy of Light, for all the work they have performed on me, for all the work they are doing at this very moment, and for all that will still be progressively done .

To ensure this, I now appeal to the Holy Spirit, SHEKINAH to witness the dissolution of all contracts, devices and sown energies that do not honor God in me.

This includes all alliances and beings that do not honor God as the Supreme / Mother / Father. Furthermore, I thank the Holy Spirit as "witness" of the complete liberation of all that violates God's Will. I Declare this forward and backward through all the timelines and frequencies.

And So It Is!

I, (*state your name*), now turn to ensure my covenant with God and I surrender to the domain and frequencies of Christ-consciousness in me, and I again dedicate my whole being, my physical body, mental, emotional and spiritual vibrations of the Christ Light, from this moment on and retroactively.

Moreover, I dedicate my life, my work, everything I think, say and do to the vibration of Christ and also all the things in my environment, which still serves me at this moment, in the NOW.

Therefore, I dedicate my being to my own mastery and ascension path, and as much of the planet as is mine in particular.

Having stated all this, I now authorize the Christ-consciousness and my own Higher Self and Family of Light to make the necessary changes to accommodate this in my life and realize this new dedication, and ask the Holy Spirit to testify to this also.

I declare, before the Heavenly Host as witnesses, that I seal my commitment of purity and loyalty to my Divine Purpose on Earth, and declare my acknowledgement of what is written in the Book of Life.

And So It Is! Thank you, God!

I decidedly Declare to the Universe, to the Mind of God and to every being that may contained it, through all the places I have been, to all experiences that I may have participated, and to all beings in need of Healing, known or unknown to me; anything unresolved and disharmonious that may stand between us, I Declare and Decree that it is now Healed and Forgiven.

I now appeal to the Holy Spirit Shekinah, the Lord Metatron, Lord Maitreya and Master Saint-Germaine to help assist and witness this Healing. I consciously Forgive everyone for everything that needs to be forgiven between them and myself.

I (*state your name*) ask them to forgive me for everything that needs to be forgiven between them and me. Here and now, I Forgive myself to myself for everything that needs to be forgiven in this life, and all that needs to be forgiven between my past incarnations and my Higher Self.

***We are now collectively Healed and
Forgiven, Healed and Forgiven,
Healed and Forgiven.***

All are now elevated to our Christ Self. We are filled and surrounded with the Golden Christ Light. We are filled, immersed and surrounded by the Golden Light of Christ. We are free from all the vibrations of pain, fear, guilt and anger, from the third and fourth dimensions.

Now, all the cords and ties to these psychic entities, implanted devices, contracts or sown energies, are now removed and cured.

I now appeal to Saint-Germaine to transmute and rectify with the Violet Flame, all my energies that were taken, and now to return them to me in its purified state.

Since these energies come back to me transmuted and alchemized, I fully determine, with all my being, that these channels through which it drained my energy to be completely and dissolved permanently.

I thank the Lord Metatron for delivering my Being from the chains of duality. May now the Seal from the Domain Christ-consciousness be put on me. May it respond to and vibrate in all Christic frequencies. I thank the Holy Spirit to witness this act, and attest that this is accomplished.

And So It Is!

I now express my deep gratitude to Christ for always being with me, and for the Healing of all my wounds and scars. I now express my deep gratitude to me by Archangel Michael for marking me with his Seal, so that I may be protected forever from

the influences that prevent the Will of our Supreme Creator.

And So It Is!

I give thanks to Mother/Father God, the Ascended Masters, the angels and archangels, and all others who participated in the act of Healing and continual elevation of my being!

I give thanks to Mother/Father God, the Ascended Masters, the angels and archangels, and all others who participated in the act of elevation and Healing of this plane of existence.

***I Seal this Purification in Truth, in
Light and in Integrity.***

***Kadoish, Kadoish, Kadoish,

***Sanctus Sanctus Sanctus, Dominus
Dei Tsabayoth***

And So It Is! Thank you, God!
