

THE CLEARING OF EMOTIONAL IMPLANTS

"Forgiveness is the answer to the child's dream of a miracle by which what is broken is made whole again, what is soiled is made clean again."

~ Dag Hammarskjold

This will be a slightly different form of attunement, because it will take from 7 to 21 days to weave a different vibration grid for your emotional body. The starting point will be using the natural purifying energies of the present lunar eclipse to end the systemic energy knots that are possibly limiting our physical progress, healing and spiritual development.

Since humanity as a whole entity lives in a dual reality and under the illusion of separation from God, we are all automatically living under the influence of some kind of implant or spiritual limitation device. We are all being limited, but only until we decide to have all of them cleaned and removed. This is a conscious attitude, through the learning how to let go and, above all, to learn how to forgive. Only when we consciously decide to no longer allow ourselves to be attached to certain frequencies will we cease to be restricted to a lesser pattern than we were meant to.

This system will be in effect for the next 21 days, because it requires a block of time to undo the effect of certain energies in your system: the same amount of time you need to break a habit.

THE SYMBOL

In ancient times, the primary energy force that responded to the vibration of forgiveness was the Goddess Hebe. Daughter of Hera, Hebe was also the goddess of eternal youth and restoration. Her symbol was also a crystal chalice, through which all the blessings of the heavenly hosts are perfectly received by the individual.

THE EXERCISE OF FORGIVENESS

Forgiveness heals everything, calms everything and enlightens all.

Learn to forgive, learn how to be free.

It is like opening a cage and letting the bird fly happily to the immensity of the sky; and realize that if it really loves you, it will land on your shoulder when he needs rest.

Resentment in the heart has caused many wounds for this world.

People lose sleep, joy, and the will to live because they are clinging to causes that can only be solved with one action: forgiveness.

With this exercise, you can ask for and offer forgiveness to all who want it, using only your imagination. This is a specific exercise to heal and release conscious memories of events, situations and people from this present life.

Sit down, close your eyes and see, feel, sense or imagine the person who you want to forgive right in front of you. See this person all wrapped in barbed wire. Notice how she's hurt and brokenhearted.

Approach this person and with gold scissors cut the barbed wire that binds this person. Cut piece by piece to completely get them rid of this trap.

Heal the wounds of their skin and take the person into a river of crystal clear waters. Wash this person in the current of these waters.

Give them a new outfit and see this person now completely free and healed.

Knowing that this person is really you, embrace it, breathe and open your eyes.

The first step in removing implants is having faith in The Divine Mind of Mother/Father God and the Masters of the White Brotherhood, who are always willing to help us, and for that we go to a prayer-decree for the removal of these implants with due care and precautions. The second step is to follow the instructions below.

It is essential that you know that the operation of removal of implants is a spatial or etheric surgery. As a surgery, it needs special care.

INTUNEMENT PROCEDURES

USING MENTAL IMAGERY

During the 21 days that follows this Attunement, we will recommend the contemplations of some imagery to facilitate the absorption of the new vibrational state of renewal by the unconscious mind.

WHAT ARE MENTAL IMAGES?

Mental images are the language of the unconscious mind as the word is the language of the conscious.

DO ALL PEOPLE SEE THE MIND'S IMAGES?

Yes, we all sleep in the form of dreams, which are like motion pictures.

WHAT DO THESE IMAGES REPRESENT?

Symbolically, they represent our emotions.

WHERE ARE THESE IMAGES FROM?

Nobody knows for sure where they are from, but we believe that they are stored within our cells.

WHY DO I NEED TO EXERCISE WITH THEM?

To reach the perfect integration with these clean images, a new state of frequencies and to ensure a healthy physical and emotional life.

HOW DO I DO THESE EXERCISES?

Follow the visualized imagery suggested in the videos. When you feel you can play these images independently with your mind eyes, you can close your eyes.

It is essential that you are sitting in a calm and quiet place. The feet should be firmly on the floor, hands placed on the legs and eyes closed from beginning to end. It takes until you can breathe a state of tranquility and reassurance because it is after this that we set as our goal to put the attention on the intention of the exercise.

HOW LONG SHOULD I CONTINUE THESE EXERCISES?

This exercise should be done for 21 days, upon awakening, near dusk and bedtime.

PREPARATIONS AND RECOMMENDATIONS

It is recommended for the start time of surgery to be at 9:00 pm, or 2100 hours. Start by reading part of your prayer decree for the removal of all emotional, mental and spiritual implants.

1. Take a shower and put on clothes, preferably white, and white sheet.
2. Keep a bottle or a jar of water. It can be mineral water and should be placed beside the bed with a cup.
3. Spend the day in as much calm a frame of mind as possible.
4. Try to spend part of the day using the Violet Flame decrees.
5. Start fasting at 3:00 pm, or 1500 hours.

PSYCHIC SURGERY

GENERAL

1. It is recommended that the time for the procedure us between 9:00-10:00, or 2100-2200 hours. Prepare yourself with a little meditation and then start applying the prayer-decree. At this point, after prayer decree, you will receive an energy anesthetic that may induce you to a state of almost sleep.
2. If you are awake following the cessation of energy anesthesia and awake, it is recommended that you not leave the place where you are.
3. If you are awake following the cessation of energy anesthesia and awake, you can drink the water. You may drink in quantities that you feel called to during the rest of the night.
4. After the 0400 hours in the morning, you will be released to movement, like going to the bathroom.

THE MORNING FOLLOWING

1. The morning at 0600 hours, you are cleared for a snack. Good choices are fruits and juices. Avoid coffee, sugar and salt, if possible.

2. For the day following, avoid animal meats and by-products.
3. For the day following, fill it with positive experiences. Avoid television.

THE PROCESS

When ready to remove implants:

1. Use two hours for this process. Or start the process one hour before your normal sleeping hours. Unplug the phone and do what is necessary to ensure that you will not be disturbed;
2. Retire to your private space. If you sleep with someone, do the Inttunement together or go to sleep before (as above). This session requires informed consent for it to work;
3. The first 15 minutes of the session are to listen (or read) and repeat the decree for the ended of old vows.

This is very important and requires conscious participation from you. The ending of old vows and contracts is a sacred process and will be given to you personally. A common form will be included at the end of this document for reference.

4. Allow yourself to be in a state concession and surrender.

WHAT TO EXPECT DURING THE PROCEDURE

1. Sensations and movement of energy within and around your body are normal. If at any time during the process you experience tension in

- any part of the body, relax, breathe and think: "*Liberate*".
2. Mental thoughts may arise along with restlessness, excitement and sometimes physical symptoms such as nausea or stomach cramps. They are normal side effects. Relax, breathe and think, "*Liberate*".
 3. You may have visions of different turning colors, especially violet and blue.
 4. After having finished with the repeal of vows and having accepted the release of implants, there may be a sleepy state, as amended.

During this time the Masters ethereal and surgeons are working with you, "out of body".

5. Do not expect anything. Whatever you experience is appropriate for you, since this process is deeply personal and different for everyone; everyone has different experiences.

This is fine and does not mean you're doing something wrong.

Your commitment to your personal growth and Path of Service to the world is commendable!

Recite aloud the Decree for repealing vows as it is prescribed on the Decree document.

IF YOU ALREADY ARE A CHANNEL OR A HEALER

As a channel, you may regard this process of particular importance. The emotional implants block your clarity and act as discord through your channel and connection with your Higher Self.

Most implants have contracts-or programming attached to them, so you are

liable to get mixed communications while they are still in your field.

Insist only on communications with the Vibration of Christ-consciousness with gathering all Beings of Light that work together for the Greater Good under the Law of One. Keep in mind that there are many beings that are of Light, but not necessarily of Love.

You have a responsibility to yourself and to those who listen to your guidance and rely on your healing capabilities to bring the highest possible information and healing energy to this planet.

We are all serving as anchors of Light wherever we are and this is an important step.

Because some of these implants have been with you for so long, the beings that may have transmitted them feel familiar. If you find yourself in a situation where one or more of your previous guides are gone, know that guides of higher vibration will replace them.

Even the famous and experienced channels can be fooled. Being a channel does not guarantee quality.

TO TRUSTEES

When you are acting as a channel of healing energy, your own energy field should be as clear as possible. You can pass implants, without knowing it, from one person to another. The same happens with Reiki attunements.. As a healer, you have probably been "struck" by the negativity of their patients from time to time. You may feel it like a physical blow, or headache or feelings of low vibration, moving through you.

To protect yourself and your patients, use these procedures regularly for removal of the implants itself and then when you are ready, to help your patients or teach themselves how to remove the implants.

The release of implants may be part of any practical healing practice.

DOING THIS PROCESS IN PLACE OF SOMEONE WHO IS DISABLED

You can help another person, child or a sick disabled adult. We recommend that the person must give their consent before you attempt to interfere with their energy template. This procedure, nevertheless cannot be done for people in coma, or induce unconscious states, nor any disabilities that would prevent them to give their consent.

In every case, keep in mind the universal law of "free will", which states that you cannot interfere with the rise of another, unless they allow it.

CONCLUSION

If you feel after the period of removal and healing, that you are again receiving attempts of these implants and seeded thoughts to reestablish themselves, visualize yourself as a crystalline chalices and the clear vibration of this attunement will restore the integrity of your template.

You may wish to restart this procedure to remove further layers of wrong programming inserted in your system for generations and through your reincarnated selves.
