# REQUEST FOR DISPENSATION OF KARMIC SETTLEMENT AND NON-INTERFERENCE

---

*There is a higher court than courts of justice and that is the court of conscience. It supersedes all other courts.*

*~ Mahatma Gandhi*

*Note: We recommend that on the day of this ritual, you do the Request for Dispensation three times during the day. We also recommend that with each instance, you light a candle, which will hold and continue the energy of the ritual.*

We open a Circle of Light and call upon the presence of the four mighty Archangels:

Lord Michael,  
Lord Raphael,  
Lord Gabriel,  
Lord Uriel,

to hold the four corners of the circle.

I call upon the Divine Shekinah, to wrap her mantle above and below, transforming our circle into a sphere of Light and Protection, as we open ourselves above and below.

We consciously ground ourselves to the core of Mother Earth through our Earth Star chakra, and connect our lower selves to our Higher Selves through our Soul Stars.

(Activate your Soul Star by repeating the Soul Mantra 3 times)

*I am the Monad,  
I am the Soul,  
I am Light Divine.  
I am Love,  
I am Will,  
I am Fixed Design.<sup>1</sup>*

I consciously call on my Higher Self, and release my will, to align me to the greatest good and Divine Will.

I fill myself with the Platinum Ray in a pillar of protection, removing all non-aligned energies.

I humbly request an audience of the Lords of Karma:  
Great Divine Director, Lord Ganesha,  
Lady Nada,  
Pallas Athena,  
Elohim Vesta,  
Quan Yin,  
Lady Portia,  
the Goddess of Justice,  
the Goddess Liberty,  
and the Keeper of the Scrolls,  
Archangel Uriel.

I petition that a Boon for Non-interference be placed as protection for myself, my operation, and my projects.

I request that each individual, entity or organization, that is creating a negative interference in my life's work, be reported to the Karmic Board, so that any and all imposed influences made upon us may be removed immediately.

If there is any outstanding agreement or vow that I have made with this person or entity, in any of

my lifetimes, in any multi-verse or reality;

I request to be released from the contract permanently and that all obstacles are removed, so that we may be fully and completely aligned to our highest spiritual purpose.

If there is any no agreement or vow that I have made with this person or entity, or if there is an agreement or vow which I have completed, in any of my lifetimes, multi-verse or reality; I request that this person or entity be appropriately shut off from any contact with my energy, removing all sabotaging influences, and their actions reviewed appropriately.

I humbly request that any void created by the removal of the negative energy from my template be filled with the energy of Christ-consciousness, so that I can more easily manifest that portion of the Divine Plan that is my Soul's purpose.

I hereby release the individual or entity,

harmlessly,  
harmlessly,  
harmlessly

through the energy of forgiveness and non-attachment from any karmic debt that their actions have created, and ask that any and all negative energy be purified through

the Violet Flame, and sent to those entities who can recycle it:

for the Greater Good,  
under the Law of One  
and for the Christ-consciousness.

I send up my Gratitude to the Karmic Board for their gracious consideration, and I humbly excuse myself from their presence.

***And So It Is!***

(Close by chanting the following three times in Gratitude)
